Dear Dr. Swanker:

At its July 2023 meeting, the IACBE Board of Commissioners considered your request for the accreditation of the business programs offered by the School of Business, Arts, and Sciences at the American International College. I am pleased to report that the Board of Commissioners approved your request and granted specialized accreditation to the business program(s) as identified in the “Business Programs” table below, accompanied by the following note(s) and observation(s).

Responses must be submitted via the online platform available on our website: www.iacbe.org/reports-note-compliance.asp. All documents must be provided in English.

No Notes were identified by the Board of Commissioners.

Observations

Observations are suggestions for further quality enhancements that the Board of Commissioners believes would be helpful for you in achieving excellence in business education but are not required for compliance with the IACBE’s Accreditation Principles. Action on observations is optional, and reporting is not required.

No Observations were identified by the Board of Commissioners.

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution

remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE’s Accreditation Principles and Policies.

Your Approved Period of Accreditation is: August 1, 2023 – July 31, 2030

In addition to the annual compliance reports, all accredited members of the IACBE are required to submit an Interim Quality Assurance Report (IQAR) during their period of accreditation. The IQAR for the School of Business, Arts, and Sciences will be due by November 1, 2026. For more information on these reports, please refer to the IACBE website under Accreditation > Compliance.
