Dear Dr. Dolgoplov,

The IACBE Board of Commissioners met on July 10-11, 2018, to consider your request for the accreditation of the business programs offered by the College of Professional Studies and Advancement at National Louis University. I am pleased to report that the Board of Commissioners approved your request and granted accreditation to your business programs accompanied by the commendations identified below.

Commendations

Commendations are findings of the Board of Commissioners in those areas in which the board believes that the College of Professional Studies and Advancement are demonstrating excellent performance.

1. The Board of Commissioners commends the College of Professional Studies and Advancement and the university for the focus on social responsibility throughout the strategic plan. It is also visible in the program initiatives such as PACE, the recruitment strategy for high school students, and the tuition model for the undergraduate programs used to reach the under-represented populations.
2. The Board of Commissioners commends National Louis University for the strong commitment to supporting their students' career aspirations. This is evidenced in the participation in the Parker Dewey Program and the internships provided. Faculty commitment was also evidenced throughout the site visit.

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE’s Accreditation Principles and Policies. Your accreditation is valid for a maximum of seven years, through July 31, 2025.

All accredited members of the IACBE are required to submit an Interim Quality Assurance Report (IQAR) during their period of accreditation. The IQAR for the College of Professional Studies and Advancement will be due by November 1, 2022. For more information about the new reporting process, please contact IACBE headquarters.

The following link to your member status page which contains a listing of your accredited programs must be provided on the College of Professional Studies and Advancement home page:
