Dear Dr. Stembridge:

The IACBE Board of Commissioners met on July 12-13, 2016 to consider your request for the reaffirmation of accreditation of the business programs offered by the School of Business Administration at Andrews University. I am pleased to report that the Board of Commissioners approved your request and granted accreditation to your business programs accompanied by the note identified below.

### **Notes**

Notes represent areas in which the School of Business Administration is not in full compliance with the IACBE's Accreditation Principles. The School of Business Administration is required to take action on the notes as specified by the IACBE Board of Commissioners, and until the issues identified in the notes have been satisfactorily addressed, the progress made in complying with the commissioners' requirements as stipulated in the notes must be reported each year to the IACBE. Unless otherwise indicated herein, the school has three years to address the issues identified in the notes. The annual reporting form for note compliance can be found on our website at: [www.iacbe.org/reports-note-compliance.asp](http://www.iacbe.org/reports-note-compliance.asp).

### **Principle 1.1: Outcomes Assessment**

Please continue to use your newly-revised outcomes assessment plan to gather results, analyze data, and implement changes and improvements where appropriate. Utilizing the newly-revised plan, please submit one complete set of assessment results by November 1, 2017.

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE's Accreditation Principles and policies. Your accreditation is valid for a maximum of seven years, through July 2023.

The following notice pertaining to your accreditation status with the IACBE must be used in your official publications, including your institutional website:
