Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE’s Accreditation Principles and Policies. Your accreditation is valid for seven years, through April 30, 2026.

All accredited members of the IACBE are required to submit an Interim Quality Assurance Report (IQAR) during their period of accreditation. The IQAR for the Division of Business will be due by November 1, 2023. For more information about the new reporting process, please contact IACBE headquarters.
