Dear Dr. McDaniel:

The IACBE Board of Commissioners met July 17, 2019 to consider your request for the accreditation of the business programs offered by the School of Business at Oakland City University. I am pleased to report that the Board of Commissioners approved your request and granted accreditation to your business programs accompanied by the following note(s) and observation(s).

Notes

Notes represent areas in which the School of Business is required to take action as specified by the IACBE Board of Commissioners. The action(s) requested below must be taken and the notes report submitted to the IACBE by October 15, 2019. The reporting form for note compliance can be found on our website at: www.iacbe.org/reports-note-compliance.asp.

None.

Observations

Observations are suggestions for further quality enhancements that the Board of Commissioners believes would be helpful to the School of Business in achieving excellence in business education but are not required for compliance with the IACBE's Accreditation Principles. Action on observations is optional, and reporting is not required.

Principle 1.1: Outcomes Assessment

1. It is recommended that the School of Business review/ensure that direct measures 1 and 2 in the Bachelor's and Master's programs encompass all functional areas of business.

Principle 2.1: Strategic Planning

1. In the Strategic Plan and various Action Plans, it is recommended that the School of Business include information for forthcoming targets and goals, with a 1-3 year objective.

Principle 4.3: Program Coverage

1. The School of Business is encouraged to hire doctorally-qualified faculty in appropriate fields when opportunities arise.

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE’s Accreditation Principles and Policies. Your accreditation is valid for seven years, through December 31, 2026. In addition to the compliance reports due November 1 of each year, all accredited members of the IACBE are required to submit an Interim Quality Assurance Report (IQAR) during their period of accreditation. The IQAR for the School of Business will be due by November 1, 2023. For more information about the new reporting process, please contact IACBE headquarters.
