Dear Dr. Fadel:

The IACBE Board of Commissioners met December 14, 2019 to consider your request for the accreditation of the business programs offered by the American Business School of Paris. I am pleased to report that the Board of Commissioners approved your request and granted accreditation to your business programs accompanied by the following note(s) and observation(s).

Notes

Notes are an indicator that while the program is in compliance with the Principles, additional monitoring is warranted. The American Business School of Paris is required to take action as specified below and respond to the IACBE by February 28, 2020 using the IACBE Notes Report. The reporting form can be found on our website at: www.iacbe.org/reports-note-compliance.asp.

Principle 5.1: Outcomes Assessment

1. Explain why only 14 part-time faculty members are listed in Table 5-1 when you list having 40 part-time faculty members. If only 14 part-time faculty members taught during the 2017-18 Self-Study year, please specify.
2. Provide credentials justification using the IACBE credentials justification form for the following part-time faculty:
Elizabeth Discors
Chris Fitzsimons
Lorna Valdes

Observations

Observations are suggestions for further quality enhancements that the Board of Commissioners believes would be helpful for you in achieving excellence in business education but are not required for compliance with the IACBE's Accreditation Principles. Action on observations is optional, and reporting is not required.

No observations were made by the Board of Commissioners.

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE’s Accreditation Principles and Policies.

Your period of accreditation is: January 1, 2020 – December 31, 2026

In addition to the compliance reports due November 1 of each year, all accredited members of the IACBE are required to submit an Interim Quality Assurance Report (IQAR) during their period of accreditation. The IQAR for the American Business School of Paris will be due by November 1, 2023. For more information on these reports, please refer to the IACBE website under Accreditation > Compliance.
