Dear Dr. Gupta:

The IACBE Board of Commissioners met March 30-31, 2020 to consider your request for the accreditation of the business programs offered by the Institute of Business Management at GLA University. I am pleased to report that the Board of Commissioners approved your request and granted specialized accreditation to the business program(s) as identified below, accompanied by the following note(s) and observation(s).

Notes

Notes are an indicator that while the program is in compliance with the Principles, additional monitoring is warranted. The Institute of Business Management is required to take action as specified below and respond to the IACBE by June 1, 2020 using the IACBE Notes Report. The reporting form can be found on our website at: www.iacbe.org/reports-note-compliance.asp.

Principle 3.1: Strategic Planning

1. Please provide a clearer explanation of the ways in which the mission of the IBM is aligned with and contributes to the mission of the University. Your response to this finding identifies parts of the Institute of Business Management mission that you indicate connect to parts of the GLA University mission, but no explanation of the alignment of the missions, in whole or in part, is provided. Rather, the segments of each mission are cut and pasted together. Provide an explanation of the alignment.

Observations

Observations are suggestions for further quality enhancements that the Board of Commissioners believes would be helpful for you in achieving excellence in business education but are not required for compliance with the IACBE's Accreditation Principles. Action on observations is optional, and reporting is not required.

No observations were made by the Board of Commissioners.

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE's Accreditation Principles and Policies.

Your Period of Accreditation is: March 30, 2020 – April 30, 2027.

In addition to the compliance reports due November 1 of each year, all accredited members of the IACBE are required to submit an Interim Quality Assurance Report (IQAR) during their period of accreditation. The IQAR for the Institute of Business Management will be due by November 1, 2024. For more information on these reports, please refer to the IACBE website under Accreditation > Compliance.
