Joseph Scuralli, M.B.A.. D.P.S.
Dean for Online Education and Larry L. Luig School of Business
44 Rifle Camp Road
Woodland Park, NJ 07424

Dear Dr. Scuralli:

At its April 2024 meeting, the IACBE Board of Commissioners considered your request for the accreditation of the business programs offered by the Larry L. Luig School of Business at Berkeley College. I am pleased to report that the Board of Commissioners approved your request and granted specialized accreditation to the business program(s) as identified in the “Business Programs” table below, accompanied by the following note(s) and observation(s).

Notes

Notes are an indicator that while the program is in compliance with the Principles, additional monitoring is warranted. The Larry L. Luig School of Business is required to take action as specified below and respond to the IACBE **no later than June 29, 2024** (unless another due date is indicated within the Note). Responses must be submitted via the online platform available on our website: www.iacbe.org/reports-note-compliance.asp. All documents must be provided in English.

Principle 2: Quality Assessment and Advancement

1. Provide a revised assignment description of the Capstone Project used as a direct measure for the Bachelor and Master programs that indicates how individual students are being observed in demonstrating their achievement of ISLO 6 related to team functioning as identified in the revised rubrics. For example, is the instructor copied on all team correspondence to be able to evaluate if a student has had difficulty in communicating to team member, listening to perspectives, or contributing ideas effectively?

Observations

Observations are suggestions for further quality enhancements that the Board of Commissioners believes would be helpful for you in achieving excellence in accounting education but are not required for compliance with the IACBE’s Accreditation Principles. Action on observations is optional, and reporting is not required.

No Observations were identified by the Board of Commissioners.

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE’s Accreditation Principles and Policies for Accounting Programs.

Your Approved Period of Accreditation is: May 1, 2024 – April 30, 2031

In addition to the annual compliance reports, all accredited members of the IACBE are required to submit an Interim Quality Assurance Report (IQAR) during their period of accreditation. The IQAR for the Larry L. Luig School of Business that includes these accounting programs will be due by November 1, 2027. For more information on these reports, please refer to the IACBE website under Accreditation > Compliance.
