Mr. George Wright  
Dean  
School of Business and Economics  
Concordia University - Irvine  
1530 Concordia West  
Irvine, CA 92612

Dear Mr. Wright:

At its July 2023 meeting, the IACBE Board of Commissioners considered your request for the accreditation of the accounting programs offered by the School of Business at the Concordia University-Irvine. I am pleased to report that the Board of Commissioners approved your request and granted specialized accounting accreditation to the accounting program(s) as identified in the "Accounting Programs" table below, accompanied by the following note(s) and observation(s).

### **Notes**

Notes are an indicator that while the program is in compliance with the Principles, additional monitoring is warranted. The School of Business is required to take action as specified below and respond to the IACBE by September 11, 2023 (unless another due date is indicated within the Note). Responses must be submitted via the online platform available on our website: [www.iacbe.org/reports-note-compliance.asp](http://www.iacbe.org/reports-note-compliance.asp). All documents must be provided in English.

*No Notes were identified by the Board of Commissioners.*

### **Observations**

Observations are suggestions for further quality enhancements that the Board of Commissioners believes would be helpful for you in achieving excellence in accounting education but are not required for compliance with the IACBE's Accreditation Principles. Action on observations is optional, and reporting is not required.

*No Observations were identified by the Board of Commissioners.*

Additionally, upon completion of the review the Board of Commissioners voted to not require an on-site follow-up visit.

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE’s Accreditation Principles and Policies for Accounting Programs.

**Your Approved Period of Accreditation is: August 1, 2023-July 31, 2030**

In addition to the annual compliance reports, all accredited members of the IACBE are required to submit an Interim Quality Assurance Report (IQAR) during their period of accreditation. The IQAR for the School of Business that includes these accounting programs will be due by November 1, 2026. For more information on these reports, please refer to the IACBE website under Accreditation > Compliance.
