I am pleased to report that the Board of Commissioners approved your request and granted specialized accreditation to the business program(s) as identified in the "Business Programs" table below, accompanied by the following note(s) and observation(s).

Notes

Notes are an indicator that while the program is in compliance with the Principles, additional monitoring is warranted. The School of Business is required to take action as specified below and respond to the IACBE by September 11, 2023 (unless another due date is indicated within the Note). Responses must be submitted via the online platform available on our website: www.iacbe.org/reports-note-compliance.asp. All documents must be provided in English.

Observations

Action on observations is optional, and reporting is not required.

No Observations were identified by the Board of Commissioners.

Additionally, upon completion of the review the Board of Commissioners voted to not require an on-site follow-up visit.
