Dear Mr. Lim A Po:

At its December 2020 meeting, the IACBE Board of Commissioners considered your request for the specialized accreditation of the accounting programs offered by the FHR School of Accounting and Management, of the FHR Graduate Institute for Higher Education at the FHR Lim A Po Institute for Higher Education. I am pleased to report that the Board of Commissioners approved your request and granted specialized accreditation to the accounting program as identified in the “Accounting Programs” table below, accompanied by the following note(s) and observation(s).

### **Notes**

Notes are an indicator that while the program is in compliance with the Principles, additional monitoring is warranted. The FHR School of Accounting and Management, of the FHR Graduate Institute for Higher Education is required to take action as specified below and respond to the IACBE by March 8, 2021 using the IACBE Notes Report. The reporting form can be found on our website at: [www.iacbe.org/reports-note-compliance.asp](http://www.iacbe.org/reports-note-compliance.asp).

#### Principle A2.1: Assessment Planning

Revise the thesis evaluation rubric to map directly and tie back to specific, individual intended student learning outcomes (ISLOs) or provide a mapping of the rubric items to the ISLOs they are intended to measure.

### **Observations**

Observations are suggestions for further quality enhancements that the Board of Commissioners believes would be helpful for you in achieving excellence in business education but are not required for compliance with the IACBE’s Accreditation Principles. Action on observations is optional, and reporting is not required.

*No observations were made by the Board of Commissioners.*

Additionally, upon completion of the review the Board of Commissioners voted to not require an on-site follow-up visit.

**Your Current Period of Accreditation: December 16, 2020 – July 31, 2021**
