Dear Dr. Zamaros:

At its July 2021 meeting, the IACBE Board of Commissioners considered your request to extend the accreditation period for the business programs offered by IFM University -Geneva. I am pleased to report that the Board of Commissioners approved your request.

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE's Accreditation Principles and Policies.

**Your Current Period of Accreditation is: January 1, 2015- December 31, 2022 (includes a one-year extension from January 1, 2022-December 31, 2022)**

Based on this approval, your site visit will need to occur no later than September 15, 2022. Additionally:

- 120 days prior to site visit – Draft Self-Study due
- 60 days prior to site visit – Final Self-Study due

A few additional reminders that may be helpful:

- Information pertaining to the requirements for reaffirmation of accreditation can be found on our website at: [Reaffirmation of Accreditation Requirements](#)
- Self-Study guidelines are available in the Member Resource section of the IACBE website
- Additional information regarding the Accreditation Process are available in the Member Resource section of the IACBE website.
- For a list of your programs currently accredited by the IACBE, refer to your Member Status Page which is available by searching for your institution on the IACBE website under Accreditation > Member Status Information
- Be sure that any changes to contact(s) have been communicated to the IACBE

You are required to maintain compliance with all IACBE reporting requirements and notifications. For more information on these reports, please refer to the IACBE website under Accreditation > Compliance.

We encourage the business faculty in IFM University -Geneva to be actively involved in the IACBE's professional development programs and activities, including participation in the IACBE's Annual Conference and Assembly Meetings, regional conferences, and workshops, and serving as site-visit team peer reviewers.
