Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE’s Accreditation Principles and Policies.

Your Next Approved Period of Accreditation is: January 1, 2025 – December 31, 2031

In addition to the annual compliance reports, all accredited members of the IACBE are required to submit an Interim Quality Assurance Report (IQAR) during their period of accreditation. The IQAR for the Department of Entrepreneurial and Management Sciences will be due by November 1, 2027. For more information on these reports, please refer to the IACBE website under Accreditation > Compliance.
