Dear Ms. Rakoff:

Thank you for the timely submission of your response to the Notes assigned by the Board of Commissioners at their July 2024 meeting. We are pleased to inform you that at their December 2024 meeting the Board of Commissioners found these notes to have been successfully addressed. Consequently, we have removed the notes from your accreditation and have updated our records accordingly. In addition, we will update your membership status page on the IACBE website to reflect the removal of these notes.

We very much value our relationship with the International School of Management, and we want to thank you and your colleagues for your commitment to advancing academic quality in business education.

Please do not hesitate to contact us should you have any questions or if we can be of service to you in any way.

Sincerely,
