Membership Status: Member with Accredited Programs

Current Period of Accreditation: May 1, 2023 – April 30, 2030 *

A Member with Accredited Programs has successfully completed the IACBE accreditation process, achieving IACBE specialized accreditation for one or more business-related programs, and has affirmed its continued commitment to excellence in business education. The specialized accreditation granted by the IACBE is specific to the programs granted accreditation – this does not include any accreditation/approval of the overall institution or any of its business units.

At its July 2023 meeting, the IACBE Board of Commissioners voted to impose the following action(s) for one or more of the Member’s business programs as indicated by the Specialized Accreditation Status in the table below.

Interim Quality Assurance Report due: November 1, 2026

[Board of Commissioners Letter](#)

The Faculty of Economics at Kardan University maintains specialized accreditation for the following business programs as indicated below through the International Accreditation Council for Business Education (IACBE) located at 11960 Quivira Road in Overland Park, Kansas, USA. The IABCE grants accreditation for business-related and accounting programs only. Locations and delivery modes for program offerings are at the sole discretion of the Member.

* Programs that are on Probation remain in an accredited status. The decision for this action on accreditation indicates that the Board of Commissioners identified conditions in the program that are out of compliance with the IACBE’s Accreditation Principles. IACBE provides this notice to the program and the public: if the program does not satisfactorily resolve the identified conditions, accreditation may be withdrawn. For more details, please refer to the Board of Commissioners Letter.
