Dear Dr. Asif Shah,

At its July 2024 meeting the Board of Commissioners removed Kardan University from probation with the IACBE. Additionally, the Notes assigned by the Board of Commissioners at their April 2024 meeting have been successfully addressed. Consequently, we have removed the notes from your accreditation and have updated our records accordingly. In addition, we will update your membership status page on the IACBE website to reflect the removal of these notes.

We very much value our relationship with Kardan University and we want to thank you and your colleagues for your commitment to advancing academic quality in business education.

Please do not hesitate to contact us should you have any questions or if we can be of service to you in any way.

Sincerely,
