Dear Dr. Riccioni,

At its December 2023 meeting, the IACBE Board of Commissioners considered your request for the accreditation of the business programs offered by the College of Professional Studies at the Saint Elizabeth University. I am pleased to report that the Board of Commissioners approved your request and granted first-time specialized accreditation to the business program(s) as identified in the “Business Programs” table below, accompanied by the following note(s) and observation(s).

### **Notes**

Notes are an indicator that while the program is in compliance with the Principles, additional monitoring is warranted. The College of Professional Studies is required to take action as specified below and respond to the IACBE **no later than February 23, 2024** (unless another due date is indicated within the Note). Responses must be submitted via the online platform available on our website: [www.iacbe.org/reports-note-compliance.asp](http://www.iacbe.org/reports-note-compliance.asp). All documents must be provided in English.

*No Notes were identified by the Board of Commissioners.*

### **Observations**

Observations are suggestions for further quality enhancements that the Board of Commissioners believes would be helpful for you in achieving excellence in business education but are not required for compliance with the IACBE’s Accreditation Principles. Action on observations is optional, and reporting is not required.

*No observations were identified by the Board of Commissioners.*

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution

remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE’s Accreditation Principles and Policies.

**Your Approved Period of Accreditation is: December 7, 2023 – December 31, 2030**

In addition to the annual compliance reports, all accredited members of the IACBE are required to submit an Interim Quality Assurance Report (IQAR) during their period of accreditation. The IQAR for the College of Professional Studies will be due by November 1, 2026. For more information on these reports, please refer to the IACBE website under Accreditation > Compliance.

As a reminder, within 30 days of the date of this letter, those granted First-Time accreditation are required to come into compliance with the two IACBE annual reporting requirements: update and publish the Public Disclosure of Student Achievement, and submission of the WebPath Notification form.

1. Each Academic Business Unit must publicly report at least one IACBE-approved student achievement measure on an annual basis for each IACBE accredited program. The disclosure must include results, and the business unit’s expectation for those results, from the most recently concluded academic year. A template to the student achievement disclosure form is provided on the IACBE website: <https://iacbe.org/accreditation/compliance/public-disclosures/>
2. Once the updated disclosure is posted to your website, you are required to submit the Web Path Notification Form that informs the IACBE of the path that a member of the general public would take to get to 1 – the updated Public Disclosure of Student Achievement, and 2 – any

statement of IACBE-accreditation published on the institution's website. The form is provided on the IACBE website at <https://iacbe.org/accreditation/compliance/web-path-notification>

More information on these requirements can be found in the Member Resource section of the IACBE website.

The College of Professional Studies will be publicly recognized for achieving accreditation for these programs at the 2024 IACBE Annual Conference and Assembly Meeting to be held in Memphis, Tennessee on April 2-4, 2024. We very much look forward to seeing you there.

We encourage the business faculty in the College of Professional Studies to be actively involved in the IACBE's professional development programs and activities, including participation in the IACBE's Annual Conference and Assembly Meetings, regional conferences, and workshops, and serving as site-visit team peer reviewers.

If you have any questions or if we can be of assistance, please feel free to contact your liaison Laurie Yates via email at [lyates@iacbe.org](mailto:lyates@iacbe.org) or 913-631-3009.
