Dear Dr. Syler-Woods

At its July 2024 meeting, the IACBE Board of Commissioners considered your request to extend the accreditation period for the business programs offered by Stillman College. I am pleased to report that the Board of Commissioners approved your request.

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE's Accreditation Principles and Policies.

Your Current Approved Period of Accreditation: January 1, 2018 - December 31, 2024

Your approved Extended Period of Accreditation: January 1, 2018 – December 31, 2025

Based on this approval, to be considered at the December 2025 Board of Commissioners meaning your site visit will need to occur ***no later than September 15, 2025***. Please contact your liaison to schedule the site visit.

Additionally:

- Your Self-Study year will be: 2023-2024
- 120 days prior to the start of the site visit – Draft Self-Study due
- 60 days prior to the start of the site visit – Final Self-Study due
- You, or someone at the business unit who will be involved in the self-study process, are required to attend an Accreditation Institute no later than February 2025.

A few additional reminders that may be helpful:
