Dear Dr. Spica Almilia:

At its December 2024 meeting, the IACBE Board of Commissioners considered your request for the accreditation of the business programs offered by the Faculty of Economics and Business at the University of Hayam Wuruk Perbanas - Surabaya. I am pleased to report that the Board of Commissioners approved your request and granted first-time specialized accreditation to the business program(s) as identified in the “Business Programs” table below, accompanied by the following note(s) and observation(s).

Notes

Notes are an indicator that while the program is in compliance with the Principles, additional monitoring is warranted. The Faculty of Economics and Business is required to take action as specified below and respond to the IACBE **no later than February 17, 2025** (unless another due date is indicated within the Note). Responses must be submitted via the online platform available on our website:

<https://iacbe.org/accreditation/compliance/note-compliance/> All documents must be provided in English.

No Notes were identified by the Board of Commissioners.

Observations

Observations are suggestions for further quality enhancements that the Board of Commissioners believes would be helpful for you in achieving excellence in business education but are not required for compliance with the IACBE’s Accreditation Principles. Action on observations is optional, and reporting is not required.

Principle 2: Quality Assessment and Advancement

1. IACBE requires all programs to map to at least 6 of the 7 Key Learning Outcomes (KLOs) to each program’s ISLOs. Currently the Bachelors of Sharia Economic is only mapped to 5 of the 7 KLOs. It is recommended that the Faculty of Economics and Business update the Outcomes Assessment Plan to map the Bachelor of Science in Sharia Economic to at least 6 of the 7 KLOs.

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE's Accreditation Principles and Policies.

Your Approved Period of Accreditation is: December 3, 2024 – December 31, 2031

In addition to the annual compliance reports, all accredited members of the IACBE are required to submit an Interim Quality Assurance Report (IQAR) during their period of accreditation. The IQAR for the Faculty of Economic and Business will be due by November 1, 2027. For more information on these reports, please refer to the IACBE website under Accreditation > Compliance.

1. Each Academic Business Unit must publicly report at least one IACBE-approved student achievement measure on an annual basis for each IACBE accredited program.
