Dear Dr. Siu:

At its July 2023 meeting, the IACBE Board of Commissioners considered the Candidate for Accreditation application of the Plymouth Business School at University of Plymouth. I am pleased to report that the Board of Commissioners approved your application and granted the status of Candidate for Accreditation effective July 12, 2023, through July 31, 2028.

Please note that candidacy status may not exceed five years. However, under extenuating circumstances and upon written petition, an extension may be approved by the Board of Commissioners. Under no circumstance is there any guarantee that the business programs in Candidacy status will be accredited. This determination is made by the IACBE Board of Commissioners after completion of all required steps toward First-Time accreditation of your business programs.

Following is the recommended timeline to remain on track for the next steps toward accreditation of your business programs and consideration at the July 2024 Board of Commissioners meeting. Please note that this timeline may be adjusted based on the business unit's progress and/or other factors impacting completion of steps along the accreditation process.

Required Attendance at an Accreditation Institute: Has been satisfied *if the progresses without interruption through the following timeline*; otherwise, attendance at a more recent session will be required.

Self-Study year: academic year 2023-2024 with the option of using calendar year 2023

Site Visit concluded no later than: 4/15/2024

Draft Self-Study due: 120 days prior to start date of the site visit

Final Self-Study due: 60 days prior to start date of the site visit
