Dr. Maxine Lubner
Chair, Management Department
Department of Management
Vaughn College of Aeronautics and Technology
86-01 23rd Avenue
Flushing, NY 11369

Dear Dr. Lubner:

At its December 2022 meeting, the IACBE Board of Commissioners considered your request for the accreditation of the business programs offered by the Department of Management at Vaughn College of Aeronautics and Technology. I am pleased to report that the Board of Commissioners approved your request and granted specialized accreditation to the business program(s) as identified in the “Business Programs” table below, accompanied by the following note(s) and observation(s).

Notes

Notes are an indicator that while the program is in compliance with the Principles, additional monitoring is warranted. The Department of Management is required to take action as specified below and respond to the IACBE by March 8, 2023 (unless another due date is indicated within the Note). Responses must be submitted via the online platform available on our website: www.iacbe.org/reports-note-compliance.asp.

Principle 2.1: Outcomes Assessment

Provide a revised Outcomes Assessment Plan, including updated rubrics, surveys, and other assessment instruments. For example, the following items should be addressed along with any other areas that the school identifies as needing revision.

1. Ensure that the assessment instruments are assessing the ISLOs you are stating they assess. For example, one of the assessment measures evaluating IOO #1 is the student exit survey; however, it is unclear how a survey evaluates placement of students.
2. Specific indirect measures were added in most places except for two degrees – Bachelor of Science in Airline Management and Bachelor of Science in General Management. Add the specific questions from the student exit survey for the indirect measures for the Bachelor of Science in Airline Management and the Bachelor of Science in General Management.

Principle 5.1: Qualifications of Business Faculty

1. provide a Faculty Justification Form for C. Sosiewicz for teaching aviation at the undergraduate level.

Observations

Observations are suggestions for further quality enhancements that the Board of Commissioners believes would be helpful for you in achieving excellence in business education but are not required for compliance with the IACBE's Accreditation Principles. Action on observations is optional, and reporting is not required.

No Observations were made by the Board of Commissioners.

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon your institution remaining (i) in good standing with your institutional accrediting body and (ii) in compliance with the IACBE's Accreditation Principles and Policies.

Your Approved Period of Accreditation is: 1/1/2023 – 12/31/2029

In addition to the annual compliance reports, all accredited members of the IACBE are required to submit an Interim Quality Assurance Report (IQAR) during their period of accreditation. The IQAR for the Department of Management will be due by November 1, 2025. For more information on these reports, please refer to the IACBE website under Accreditation > Compliance.

It was noted by the Board of Commissioners that the statement on the school's website regarding IACBE membership/accreditation is outdated and must be updated by March 8, 2023.

The following language must be used on the Department of Management homepage, where "[status page](#)" is a hyperlink to your IACBE status page at <https://iacbe.org/memberpdf/VaughnCollegeofAeronauticsandTechnology.pdf>

The Department of Management at Vaughn College of Aeronautics and Technology has received specialized accreditation for its business programs through the International Accreditation Council for Business Education (IACBE) located at 11960 Quivira Road in Overland Park, Kansas, USA. For a list of accredited programs please view our IACBE member [status page](#).

If the list of accredited programs is provided in other official print publications, the following notice pertaining to your accreditation status with the IACBE must be used.

The Department of Management at Vaughn College of Aeronautics and Technology has received specialized accreditation for the following business programs through the International Accreditation Council for Business Education (IACBE) located at 11960 Quivira Road in Overland Park, Kansas, USA. The IACBE grants accreditation for business and accounting programs only. Locations and delivery modes for program offerings are at the sole discretion of the Member.

Business Programs
MS in Airport Management
BS in Airport Management
BS in Airline Management
BS in General Management
AAS in Airport Management

The Department of Management will be publicly recognized for achieving accreditation at the 2023 IACBE Annual Conference and Assembly Meeting to be held April 11-14 in Orlando, Florida. We very much look forward to seeing you there.

We encourage the business faculty in the Department of Management to be actively involved in the IACBE's professional development programs and activities, including participation in the IACBE's Annual Conference and Assembly Meetings, regional conferences, and workshops, and serving as site-visit team peer reviewers.

If you have any questions or if we can be of assistance, please feel free to contact your liaison Cecilia Livengood at clivengood@iacbe.org, or 913-631-3009.

Sincerely,

Scott Schroeder, Chair
Board of Commissioners

cc: Dr. Paul LaVergne, Vice President for Academic Affairs
