Campus Director
Wright Graduate University
N7698 County H
Elkhorn, WI 53121

Dear Kate Holmquest Sudarsan:

At its December 2022 meeting, the IACBE Board of Commissioners considered the application for new program(s) submitted by Wright Graduate University. I am pleased to report that the Board of Commissioners approved the application and granted specialized accreditation to the business program(s) as identified below, accompanied by the following note(s) and observation(s):

Business Program
Master of Business Administration

Notes

Notes are an indicator that while the program is in compliance with the Principles, additional monitoring is warranted. Wright Graduate University is required to take action as specified below and respond to the IACBE by 3/8/23 (unless another due date is indicated within the Note) using the IACBE Notes Report. Responses must be submitted via the online platform available on our website: www.iacbe.org/reports-note-compliance.asp.

No Notes were made by the Board of Commissioners.

Observations

Observations are suggestions for further quality enhancements that the Board of Commissioners believes would be helpful for you in achieving excellence in business education but are not required for compliance with the IACBE's Accreditation Principles. Action on observations is optional, and reporting is not required.

In reviewing the OAP for the MBA program you may want to consider whether 10 ISLOs with four different assessment measures are necessary for IACBE reporting purposes.

The aforementioned program(s) is/are now included in the current period of accreditation and will be added to the school's list of IACBE-accredited programs within 30-days of the Board of Commissioners decision.

Your Current Period of Accreditation is: 12/7/22 – 12/31/2027

Accreditation represents a continuing relationship between an institution and its accrediting organization. Specialized program accreditation by the IACBE is dependent upon (i) your institution remaining in good standing with your institutional accrediting body and (ii) Wright Graduate University maintaining responsibility for offering and operating newly approved degree programs in compliance with all IACBE Principles and reporting requirements.

We encourage all business faculty at Wright Graduate University to be actively involved in the IACBE's professional development programs and activities, including participation in the IACBE's Annual Conference and Assembly Meetings, regional conferences, and workshops, and serving as site-visit team peer reviewers.

If you have any questions or if we can be of assistance, please feel free to contact your liaison Dr. Patrick Hafford at phafford@iacbe.org or 913-631-3009.

Sincerely,

Scott Schroeder, Chair
Board of Commissioners
