Northwest Regional Assembly Conference**

Conference Theme:

Disaster Recovery - Higher Education and Business Operations Perspectives

This Call for Proposals seeks contributors who are interested in conducting presentations, workshops, or discussion forums that align with the conference theme. Preference will be given to submissions that appeal to the target audience of our attendees and offer practicable solutions or approaches.

Submissions that are not strictly concerned with the area of business education but enhance the knowledge base of our constituents and provide opportunities for idea sharing, will also be considered.

Submissions that are received by the deadline will be peer-reviewed immediately and selectees will be notified of the acceptance decision. Submissions received after the deadline will also be reviewed and accepted on a rolling basis depending upon both applicability and availability.

Title of Session:

Please provide the title for your session as you would like it to appear in the conference program.

Type of Session:

Please briefly identify the type of session that you are proposing and a short abstract.

The time allotted for each session is 40 minutes and includes questions and answers from the audience.

Names of Submitters and Primary Contact:

Include full names and titles of each submitter as you would like them to appear on the program. Identify the primary contact and include the following information for this individual as well as for each of the other submitters as applicable.

Institution(s):

E-mail Address(es):
