For Professional Participants

We encourage all seasoned and emerging interested researchers to participate in this intellectual gathering. The theme of the event, "Education at the Crossroads: A Discussion on the Impact of AI in Education," has been carefully chosen to encompass a broad spectrum of topics, encouraging a multidisciplinary exchange of ideas. As we continue to evolve in an interconnected world, your research can play a vital role in shaping the future.

Submission Guidelines:

1. Abstracts should be around 1,500 words (+/- 10%).
2. Submissions must be original works.
3. Abstracts should clearly state the research problem, methodology, key findings, and their significance.
4. Please include your name, affiliation, and contact information with your submission.
5. Send submissions to info@barcelona.ssm.swiss **on or before September 15, 2023** (Saturday).

Review and Selection Process:

Our esteemed panel of experts will assess all submitted abstracts. They will base the selection process on the research's quality, originality, relevance, and potential impact. We will notify the selected participants **by Saturday, September 25, 2023** and provide further information about presentation guidelines and event logistics.

Your research will enrich the academic discourse and contribute to the overall success of our event. Your dedication to pushing the boundaries of knowledge inspires us to create platforms for meaningful engagement.

For any inquiries or clarifications, please do not hesitate to contact our organizing committee at noemi.katuin@ssm.swiss

For Students

We encourage (Masters and Doctorate) to participate in the event. They can present their own research (ongoing or recently finished) and it does not necessarily be about the theme of the conference.

We would like to provide a platform where students can present their work to a panel of experts and colleagues for critique and guidance.

Submission Guidelines:

1. Abstracts should be around 800 words (+/- 10%).
2. Submissions must be original works.
3. Abstracts should clearly state the research problem, methodology, key findings, and their significance.
4. Please include your name, affiliation, and contact information with your submission.
5. Send submissions to info@barcelona.ssm.swiss **on or before September 15, 2023** (Saturday).
