Upcoming webinars:

October 19th, 10 PM, CT. *The Social Impact of Business Education.*

Digitalization of education and industry also means more focus on society and its problems. Ideas like Universal Basic Income are now more seriously discussed than ever. The next generation of leaders need to be sensitive about the social needs of their constituents and community and not just the market or the shareholders.

Join Thothatri Raman as we discuss *The Social Impact of Business Education* from the perspective of what has been done, how it has worked, and what could be done by the future business leaders who are being trained at the business schools.

A promotional poster for the SEAA 15th International Accreditation Conference 2022. At the top is the SEAA logo with the tagline "STANDARDS FOR EDUCATIONAL ADVANCEMENT & ACCREDITATION (SEAA) TRUST, NEW DELHI". Below it are logos for AACSB, AMBA, EFMD EQUIS, and IACBE. The main text reads "WELCOME TO 15TH INTERNATIONAL ACCREDITATION CONFERENCE 2022" with the theme "SOCIAL IMPACT OF BUSINESS EDUCATION" and dates "November 7 & 8, 2022 (Mon/Tue) (Virtual conference)". There are two small images: one showing a word cloud with terms like "EDUCATION", "LEARNING", "TRAINING", and "COLLEGE"; the other showing a group of people in a meeting. At the bottom, logos for academic partners (Peregrine, Campaign 2021-30, The Global Compact, IAARS) and accreditation book & logistics partners (Indus Business Academy, SEAA Forum) are displayed.
