Editor

- Redesigned accreditation certificates
- IACBE logos available for diplomas

- Japoy Oidem (Member recommendation)
- Refreshed marketing materials and website in design queue

- Launching pilot ambassador program

- Attendees from HQ, trainings, refreshed materials

- Focus group testing this fall with expected rollout in 2024

- Guidance videos
- Menu of coaching workshops
- Certificate accreditation

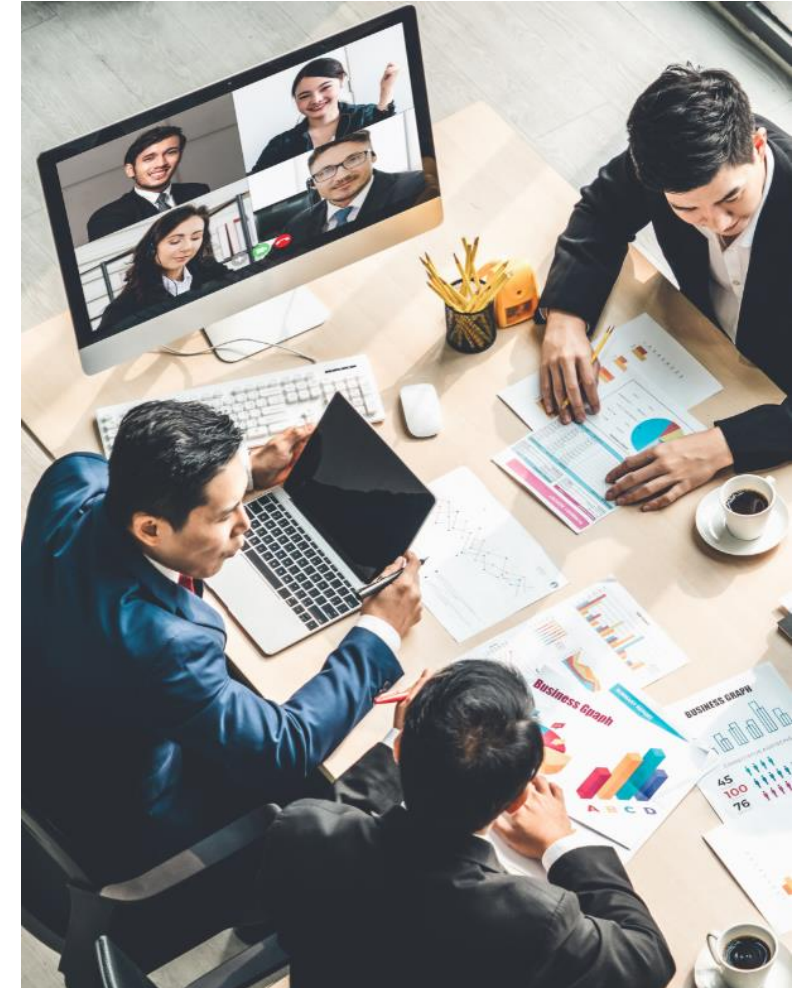

**Reminder:** You have the option for an on-campus **or** virtual site visit.

## Eligibility Requirements for Virtual Site Visits

1. Institution in good standing
2. Most recent visit occurred on-campus
3. Timely submission of all current accreditation documents

Available for Reaffirmation, New Program Accreditation and virtual schools

# We're Looking for Site Team Volunteers!

## Site Team Member Requirements

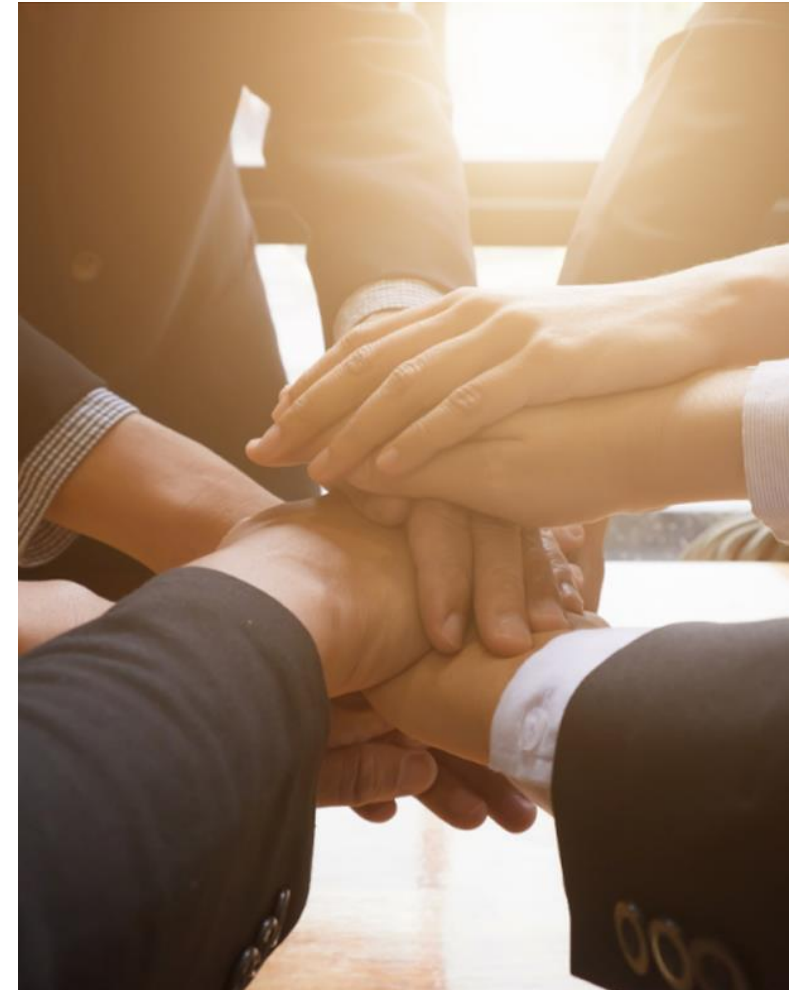

1. Be an active faculty/staff member of an institution with IACBE-accredited programs
2. Have two years of work directly related to IACBE accreditation process
3. Complete application

Upon acceptance:

- a. Pay initial fee (new applicants and those previously inactivated)
- b. Attend full site team training session (two days)
- c. Observe a virtual visit

If you'd like to learn more about volunteering to be a site visitor or request an application, please contact us at [accreditation@iacbe.org](mailto:accreditation@iacbe.org).

# Site Team Members Ongoing

---

## Maintain Active Site Team Member Status

1. Attend all future site team training sessions (refreshers & updates)
2. Volunteer for at least one site visit each academic year
  - Two cycles: Fall (August through December) and Spring (January through July)
3. Maintain IACBE expectations for team members:
  - Follow visit protocols and behavior
  - Conduct comprehensive review of Self-Study materials
  - Adopt the IACBE approach, not your individual perspective
  - Submit all reports and responses to IACBE requests on time

## November 1

- Interim Quality Assurance Report due date

## February 1

### Annual Reporting Due

1. Update and post Public Disclosure of Student Achievement
2. Confirm accuracy of statement of IACBE Membership
3. Submit Web Path Notification

# Education for an AI World

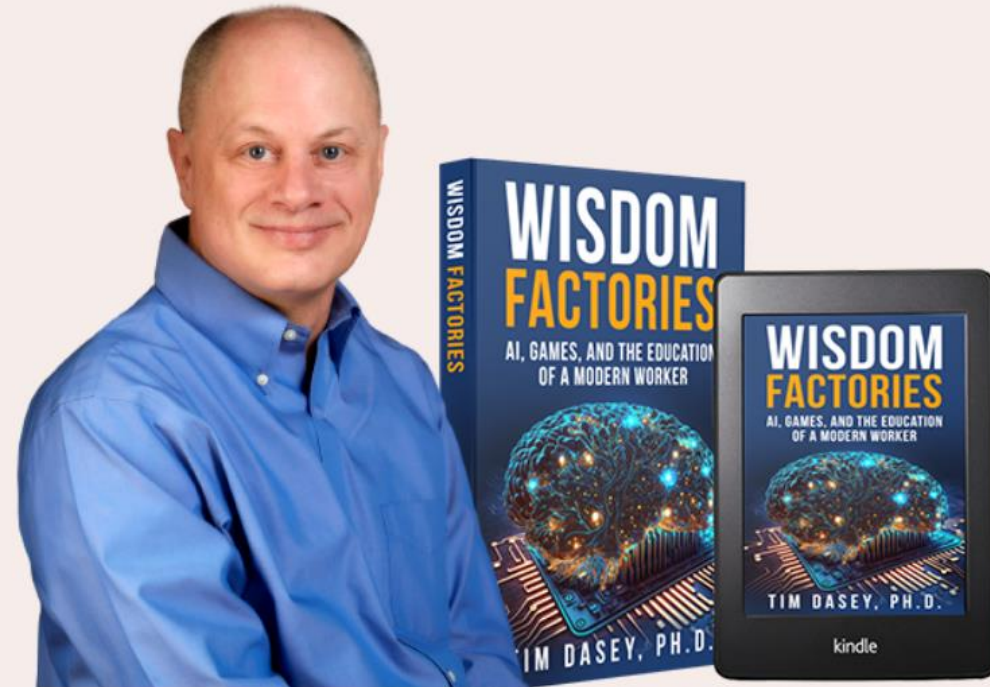

## Wisdom Factories

AI in the classroom isn't the biggest challenge—it's preparing students for an AI work world. That requires upending a century of educational dogma.

Wisdom Factories explains the issues and frames the solutions, blending arguments from AI, neuroscience, psychology, vanguard schooling, and personal experience.
