Specialized Business Accreditation

Reaffirmation of Accreditation

Accreditation Granted indicates that the business-related programs seeking specialized accreditation were found to be in compliance with the IACBE Principles. The specialized accreditation granted by the IACBE is specific to the programs granted accreditation – this does not include any accreditation/approval of the overall institution or any of its business units. Notes are an indicator that while in compliance with the IACBE Principles, additional monitoring is warranted. Observations are suggestions for further quality enhancements that require no further action.
