

## Call for Academic Abstract Submissions – IACBE Region 9 Conference

Buongiorno da Milano! We are thrilled to announce a significant opportunity at the upcoming IACBE Region 9 Conference. This event underscores our commitment to fostering intellectual exchange, promoting research, and advancing the frontiers of knowledge.

We are now accepting academic abstract submissions for the IACBE Region 9 Conference, which will be held **from October 16 to 18, 2024**. This platform allows scholars from diverse disciplines to come together, share their latest findings, engage in insightful discussions, and contribute to advancing their respective fields.

We invite all seasoned and emerging researchers to participate in this intellectual gathering. The theme of the event, “Internationalization, Partnerships, Sustainability & Inclusivity in Higher Education,” has been carefully chosen to encompass a broad spectrum of topics, encouraging a multidisciplinary exchange of ideas. Your research can be vital in shaping the future as we continue evolving in an interconnected world.

### Submission Guidelines:

- Abstracts should be between 300-400 words.
- Submissions must be original works.
- Abstracts should clearly state the research problem, methodology, key findings, and their significance.
- Presentations will be 20 minutes, followed by 10 minutes for Q&A.
- Virtual presentations will not be allowed. Please ensure you can attend the conference in person to present your paper.
- Send submissions to [elizabeth.nau@ssm.swiss](mailto:elizabeth.nau@ssm.swiss) on or before **September 9, 2024**.
- Presentations will be on the last day of the conference, October 18, 2024.

**Review and Selection Process:** Our esteemed panel of experts will assess all submitted abstracts based on the research’s quality, originality, relevance, and potential impact. Selected participants will be notified **by Friday, September 16, 2024**, with further information about presentation guidelines and event logistics.

### Participation Benefits:

- Present your research to a distinguished audience of fellow researchers and scholars.
- Engage in intellectual discussions, exchange ideas, and receive constructive feedback.
- Network with experts and peers from diverse disciplines.
- Publication opportunities are available in our conference proceedings or affiliated journals.
- Contribute to enriching the academic discourse and the overall success of our event.
